Dear Employees and Friends of CV International,

I would like to congratulate you as you celebrate 20 years of being open for business. This is truly a well-deserved recognition and a great milestone for your company.

What sets your company apart from its competitors is its excellent service. That CV International has seen so much success over these last twenty years is a testament to the employees. As a businessman myself, I respect and admire the work you have done to maintain and grow your business all these years. As your Representative, I am happy to have you here in the 2nd district and it is an honor to serve you in Congress.

Again, I congratulate everyone who has played a role in the success of CV International over the last two decades and wish you many more years of continued prosperity. Happy 20th Anniversary!

Mindful that I work for you, I remain

Yours in Freedom,

Scott Rigell
